

# CLIMATE CHANGE

## (and how to deal with it)

An online discussion with Dr. Ray Weymann and Dr. Timothy LaSalle about the science of global warming.

June 4<sup>th</sup> 11:10 AM – 12:00 PM PST

Dr. Weymann is a retired astrophysicist now engaged in public education about climate change. He is former head of the University of Arizona Astronomy Department, former Director of the Carnegie Observatories in Pasadena and a member of the National Academy of Sciences.

Dr. LaSalle is currently Adjunct Professor of Agriculture at the Center for Regenerative Agriculture at Cal State Chico and former President and CEO of the California Agriculture Leadership program.
